Immigrant Women's Health Service Celebrate
Harmony day with Fairfield Community
Ware St, 23/3/2010

Harmony Day is celebrated on 21 March each year.

IWHS had been part of Fairfield Community for the last 22 years. Celebrating together another year of tolerance and acceptance is vital for the community and its members. Harmony Day celebrates the cohesive and inclusive nature of our nation and promotes the benefits of cultural diversity.

The continuing message of Harmony Day is 'Everyone Belongs'. It's about community participation, inclusiveness, respect and a sense of belonging for everyone.

The 2010 theme is 'Express Yourself'. This gives you the opportunity to share with others the importance of diversity in your workplace, school and community through action, performance, fashion and food.

Since Harmony Day began in 1999 thousands of schools, community groups and organizations across Australia have hosted Harmony Day events.

There is no limit to the range of activities that can be held for Harmony Day and we encourage schools, community groups, local government and businesses to get involved and actively support this day of celebration.

Harmony starts from within, from our homes and from our families. When you have harmony with your neighbors, friends, children and partner, you create a peaceful community and participate involuntarily in world's peace.

I know the days are tough, and we all went through harsh time and long journey to establish a home away from home, surely if you will adapt harmony as a theme for your self this year things will change.
